Behind-the-Wheel Practice Log — 30 Hours

The 30 hours of behind-the-wheel practice must be completed in the presence of an adult who is 21 years of age or older and has been licensed for a minimum of one year (TRC 521.222) before the student is eligible for a provisional license. Only one hour of behind-the-wheel practice per day will count towards the 30 hours regardless of the number of hours the student actually drives in a day. When the student is eligible for the provisional license you may be asked to present this log to the Department of Public Safety.
